Our beer selection ranges from all the Aussie beer we can get our hands on to international favorites, domestic craft beers and local legends. All complement a pie perfectly! The majority of our wine is from Australia or NZ, and we feature a local cider that

is sourced from local apples. We also have Aussie style soft drinks such as lemon, lime and bitters, ginger beer and milo and feature a few seasonal specialty drinks. Finally, no, we do not serve nor condone the drinking of Foster's.
